Dear Danny

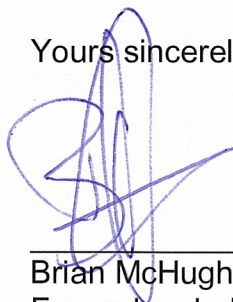

Re: BGE (NI) Code Modification Proposal 2

Thank you for your submission of the Final Modification Report in respect of the above named modification.

The Northern Ireland Authority for Utility Regulation (NIAUR) has reviewed the report and concludes that this modification would better facilitate the "relevant objective" as defined in your gas conveyance licence.

Accordingly, and as required by Section 10 of your Transportation Network Code Modification Rules, the Authority directs BGE (NI) to implement the proposed modification with effect from 1st January 2009.

Yours sincerely

Brian McHugh
