4 Supplementary Information

4.1 Key Notes

- ⇒ Read Cycle Information will be sent as part of the Completion Notification messages for Change of Shipper and Registration Processes.
- ⇒ For a change made to an individual GPRN, there will be one Notification of Updates to Read Cycle Information market message. If multiple GPRNs are modified, multiple messages will be sent.
- ⇒ Read cycle reference code will be one of a list of read cycle reference codes that describe the read cycle schedule.
- ⇒ An M1401N – Notification of Update to Read Cycle Information market message will be sent to Shippers whenever Read Cycle Information is changed for a GPRN.
- ⇒ The next read date will be +/- 3 Business days as per consultation at GMARG for MRS metrics.
