

Renewable Gas (RG) Registry Certificate Transfer Form

Contact us at: **021 453 4000** or email: **RGcertificates@gasnetworks.ie**

Block capitals only

Gas Networks Ireland will transfer renewable gas (RG)* certificates, whenever the relevant Certificate Account Holder requests a transfer from its account to another account.

The transfer can be either:

1. A **single request** applicable to a specific batch of certificates, or
2. A **fixed transfer**, meaning the continuous transfer requested by a Certificate Account Holder of RG certificates to another Certificate Account Holder.
 - Only Certificate Account Holders with production facilities linked to their Certificate Account may apply for fixed transfer.
 - The fixed transfer entails that the Receiving Certificate Account Holder receives all RG certificates which are generated for and entered into the Certificate Account of the Transferring Certificate Account Holder (a Producer).

Type of transfer requested *(please tick box)*

Single request Fixed transfer

Type of certificates being transferred *(please tick box)*

The transfer of RG certificates is final when Gas Networks Ireland has confirmed the registration thereof to both the Transferring Certificate Account Holder and the Receiving Certificate Account Holder.

*The term Renewable Gas (RG) refers to "Renewable Natural Gas", which is gas produced from renewable non-fossil sources most commonly by anaerobic digestion of biodegradable matter and which is (or will be) prior to such gas being tendered for delivery to the Transportation System purified and upgraded to meet the applicable entry specification.
