

## Legal Text of the Amendment

Amend Annex B as follows:

(i) Insert the following new paragraph 5.5(g) in Appendix B:

"(g) Subject to paragraph 5.5(c), 5.5(d) and 5.5(e) where (at the start of the relevant Nomination Cycle) or within any applicable Nomination Cycle GNI has notified to GNI (UK) an interruption and has not notified the cessation of the interruption in relation to interruptible IP Nominations the Confirmed Nomination Quantity is equal to the Processed Nomination Quantity under the GNI Nomination;

(ii) Amend the heading of Annex B paragraph 6 to read:

"Exceptional Events, Gas Deficit Emergency and Interruption".

(iii) Insert new paragraphs 6.4 and 6.5 to Annex B:

"6.4 GNI may before or during the Day notify GNI (UK) as provided in Annex A paragraph 7.

(a) that there is an interruption affecting interruptible IP Capacity on the GNI System; or

(b) that an interruption previously notified is no longer affecting the GNI System.

6.5 Where GNI notifies an interruption is affecting interruptible IP Capacity in relation to interruptible Nominations:

(a) GNI may determine (in accordance with its Transportation Arrangements) revised Processed Nomination Quantities for its interruptible Nominations at the time;

(1) GNI will determine revised Processed Nomination Quantities under GNI Nominations (irrespective of the submission or otherwise of an IP Nomination at the applicable Nomination Deadline, and irrespective of the existence of any prevailing IP Nomination).

(2) GNI will redetermine (in accordance with paragraph 5.5(g)) and notify to GNI (UK) revised Confirmed Nomination Quantities for Nominations on the basis of the revised Processed Nomination Quantities in accordance with paragraph 5.1(c).

- (3) GNI (UK) will forward revised Confirmed Nomination Quantities to NGG in accordance with paragraph 5.1(d);
- (b) The Linked Transporter(s) will notify the revised Confirmed Nomination Quantities to their respective Shippers in accordance with paragraph 5.1(f).
