**Re: Code Modification AO63 – Nominations, Imbalance Charges & Allocations**

Dear Aidan / Yvette,

With respect to the above Consultation Paper, Lansdowne Oil & Gas has, as a member of the Irish Offshore Operator's Association (IOOA), participated in the response submitted by IOOA and will not be submitting a separate response.

Lansdowne is in full support of the response submitted by IOOA and we look forward to continuing to work with all stakeholders to bring this matter to a satisfactory conclusion.

Yours sincerely,

Stephen Boldy

Chief Executive
