PURSUANT TO THE CODE OF OPERATIONS

PROPOSED MODIFICATION

Code Modification A080 '*Option to Provide Monthly Settlement from Disbursements Account*'

COMMISSION'S INSTRUCTION

Pursuant to Section 13 (1) of the Gas (Interim) (Regulation) Act, 2002, the Commission hereby approves modification A080 '*Option to Provide Monthly Settlement from Disbursements Account*' and directs Gas Networks Ireland to proceed to legal drafting.

Code Modification A080 seeks to provide all Irish Shippers with the option to be settled from the disbursements account on a monthly basis, rather than the current annual process. The annual settlement currently takes place in July of each year for the previous gas year. The option of a monthly settlement would reduce the current time lag between gas days and settlement period.

This modification will require amendments to Part A (Definitions and Interpretation) and Part E (Balancing and Shrinkage) of the Code of Operations.
