

**MODIFICATION TO THE COMMISSIONING REVERSE FLOW
ARRANGEMENTS FOR THE BELLANABOY COMMISSIONING CONNECTED
SYSTEM POINT (THE “ARRANGEMENTS”) TO REFLECT THE COMMISSION'S
APPROVAL OF THE REMOVAL OF THE REQUIREMENT FOR A 12 MONTH
MINIMUM DURATION OF THE INITIAL COMMISSIONING PERIOD**

1. Section 1.1 of the Arrangements shall be modified by the deletion of “Section 3.5.5” from the opening sentence thereof and by the insertion of “Section 3.7.5” in its place.
2. Section 2.1 of the Arrangements shall be modified by the deletion of the existing definition of “**Initial Commissioning Period**” therefrom and by the insertion of the following new definition of “**Initial Commissioning Period**” in its place:

*“**Initial Commissioning Period**” shall be the period of time as notified to the Transporter by the Connected System Operator and accepted by the Transporter and which period of time may be varied from time to time by agreement between the Transporter and the Connected System Operator with the approval of the Commission;”*

3. Section 3.5.2 of the Arrangements shall be modified by the deletion of the final paragraph thereof and by the insertion of the following new final paragraph in its place:

“For the avoidance of doubt and notwithstanding Sections 3.5.2(iv) and (v) above, the Transporter shall not reject an application for:

- (i) Long Term BCCSP Exit Capacity which is the Required Available Commissioning Period Capacity where such application is in respect of the Available Commissioning Period; or*
- (ii) Advised BCCSP Exit Capacity where such application is in respect of the Initial Commissioning Period,*

solely on the basis that the requested duration is not Annual or Multi-Annual.”

4. Section 3.5.6 of the Arrangements shall be modified by the deletion thereof and by the insertion of the following new Section 3.5.6 in its place:

“Where the Transporter accepts:

- (i) a Long Term BCCSP Exit Capacity request for the Required Available Commissioning Period Capacity; or*
- (ii) an Advised BCCSP Exit Capacity request for the Initial Commissioning Period,*

the Commissioning Shipper shall be recorded as having reserved such capacity for the duration of the Available Commissioning Period or the Initial Commissioning Period notwithstanding any variation in the duration of the Available Commissioning Period or the Initial Commissioning Period.”

5. The foregoing modifications shall be effective from the 1st day of November 2014 or such other date as shall be approved by the Commission for Energy Regulation.
