## **Transportation Network Code Proposed Modification 1**

### **Initial Modification Report**

#### **1. Introduction**

BGE(NI) Transmission has prepared this report in accordance with Section 4 of the BGE(Northern Ireland) Transportation Network Code Modification Rules.

#### **2. Proposed Modification**

This proposed modification is to change various sections of the BGE(Northern Ireland) Transportation Network Code (the “Code”) in order to:

- (i) correct typographical and other minor drafting errors; and
- (ii) introduce a retirement clause in new Section 17.9, with the intention of maintaining consistency with the proposed PTL Code Modification No.8 and proposed Phoenix Code Modification No. 3.

The modification proposal is available on the BGE(NI) website at [www.bordgais.ie/htm/transportation/index.htm](http://www.bordgais.ie/htm/transportation/index.htm)

#### **3. Modification proposed by:**

BGE(NI) Transmission

#### **4. Proposed Modification submitted:**

7<sup>th</sup> November 2005

#### **5. Consultation Period for Initial Modification Report:**

20 Business Days (up to 16<sup>th</sup> December 2005).

#### **6. Likely Implementation Date**

BGE(NI) Transmission suggests that the proposed implementation date is 5 Business Days after NIAER approval of the modification.

#### **7. Impact on the Operation of Other Designated Pipeline Operator’s Network Codes**

BGE(NI) Transmission believes that this modification proposal facilitates a continued level of consistency between the Codes of the three DPO’s in Northern Ireland.
