**Subject:** Code Modification A089

Hi Andrew,

I cannot find the Cod Modification A089 online to respond to, so please see Tynagh's response below.

Tynagh support the relaxation of the 2<sup>nd</sup> tier imbalance multipliers to +/- 5% as was discussed during the CMF on 31<sup>st</sup> January 2018. These levels can be reassessed if shipper behaviour deteriorates again.

Kind Regards,

Keith Deacon  
Operations Analyst
